

Loop modules

ASM933

Order-No.: ASM933

Additional supervising module for IOM 933-1

Additional module for supervising the relay output module from IOM933-1

- 1 floating output supervised

- Technical specification:

Type of connection: direct on IOM 933 module

Operating voltage: 24 VDC

Standby current: 11mA

Dimensions (W x H x D): 55 x 20 x 38 mm
