

Explosion proof

Ex-B1

Order-No.: Ex-B1

Safety Barrier I.S. for 1 zone

- safety barrier I.S. for serie 630
- Galvanic decoupling
- Polarity protection
- Mounting on 35mm DIN EN 50 022 rail
- Housing available: Order Ex-H
- Technical specification:
 - capacitive loading: max 120nF
 - current consumption: 6mA at 120nF
