

## Special detection

### FDBL-RB

Order-No.: FDBL-RB

#### Remote box for FDBL detector

- liner beam detector from 3 to 100 m
- detection of smoke and heat.
- Visible ray to help alignment
- Small and streamlined size
- Technical specification:
  - operating voltage: 12-30VDC
  - outputs: relays
  - standby current @24VDC: 15 mA
  - alarm current @24VDC: 25 mA
  - detection range: 3-100m
  - angle of adjustment:  $\pm 10\%$  horiz. and vert.
  - operating temperature:  $-10^{\circ}\text{C}$  to  $55^{\circ}\text{C}$
  - dimensions controller (HxWxD): 155mm x 135mm x 14 mm
  - IP rating: IP30
  - material: ABS
  - colour: white
