

Home Smoke Detectors

HD 3007 O

Order-No.: HD 3007 O

Optical Home Detector

- Same features as detector HDv 3000 0

Technical specification:

Operating voltage: 9 Vdc

Battery lifetime: Approx. 10 years, when used as Stand - Alone – Detector under normal temperatures (15-25°C), Test accord. to DIN 14676

sensitivity < 0.15 dB / m

operating temperature -10° to +60°C

humidity 95% RH / 40° C

air speed max 20 m/s

Protection class IP40

housing colour white

material ABS

weight 320 gr

Dimensions (H x Ø) 56 mm x 110 mm
