

Power Supply

PS-15

Order-No.: PS-15

Switching power supply 24Vdc, 1.5A, 42W

Nominal power: 42W

Output current: 1.5A

Output voltage: 27.6 VDC

Qty and compatible batteries type: 2x12V/3Ah

Package weight: 0.4Kg

Housing material:Zincd plate

Connection type: Terminal

Power supply: 230 Vac -15+10%, 50÷60 Hz

Lines: Voltage input, battery output, load output

Electric protection: Earth fuse, overload, over voltage output, short circuit

Operating temperature: +5°C÷+40°C

Insulation Class: Class I

Protection degree: -

Dotazione standard: -

Packaging: 1 pcs. / package
