

Power Supply

PS-50

Order-No.: PS-50

Switching power supply 24Vdc, 5.0A, 140W

Nominal power:140W
Output current: 5.0A
Output voltage: 27.6 VDC
Qty and compatible batteries type: 2x12V/17Ah
Package weight: 0.8Kg
Housing material:Zincd plate
Connection type: Terminal
Power supply: 230 Vac -15+10%, 50÷60 Hz
Lines: Voltage input, battery output, load output
Electric protection: Earth fuse, overload, over voltage output, short circuit
Operating temperature: +5°C÷+40°C
Insulation Class: Class I
Protection degree: -
Dotazione standard: -
Packaging: 1 pcs. / package
