

Wireless Detection

SRC 3000 SB

Order-No.: SRC 3000 SB

Wireless sounder/beacon

- acoustic low battery warning for 30 days
- life signs are sent regularly in order to keep up the control function of the radio distance
- Technical specification:
 - operating voltage: 6 Vdc
 - quiescent current: 48 μ A
 - alarm current: 150 mA
 - frequency: 433, 42 MHz
 - volume: 101 dB
 - operating temperature: -10° to +55° C
 - storage temperature: -20°C up to +60°C
 - protection class: IP 65
 - material: plastic / polycarbonate
 - colour: white
 - dimensions (\varnothing x H): 93 mm x 121 mm
