

Special detection

W74331 LR

Order-No.: W74331 LR

Infrared beam detector

- monitored area and mountign meets DIN VDE 0833
- detection of smoke and heat.
- TX and RX up to 100m distance
- Technical specification:
 - operating voltage: 10-30VDC
 - standby current @24VDC: 4mA
 - alarm current @24VDC: 15mA
 - detection range: 5-100m
 - operating temperature: -30°C to 55°C
 - dimensions controller: 117x210x120mm
 - IP rating: IP50
 - material: ABS
