

Beacons

Xenon Beacon weather resistant

**Order-No.: Xenon Beacon
weather resistant**

Xenon Beacon weather resistant

Features:

Wide operating voltage up to 60vdc
Current surge suppression
Automatic synchronisation
High efficiency
Constant performance over voltage range
Locking base
Five lens colours
Technical specifications
Voltage: 10 to 60 VDC
Current: 35mA @24 VDC
Light source: Xenon
Light output: 2.5Cd
Flash rate: 1Hz
Synchronisation: 10ms over 30mins
Temperature: 25°C to + 70°C
Monitoring: Reverse polarity
Protection: IP65
Construction Base: Base ABS FR
Lens PC
Weight: 0.15 kg shallow base
0.18 kg deep base
Lens colour: Red
